Homecoming 1969:

A Senior Field Day

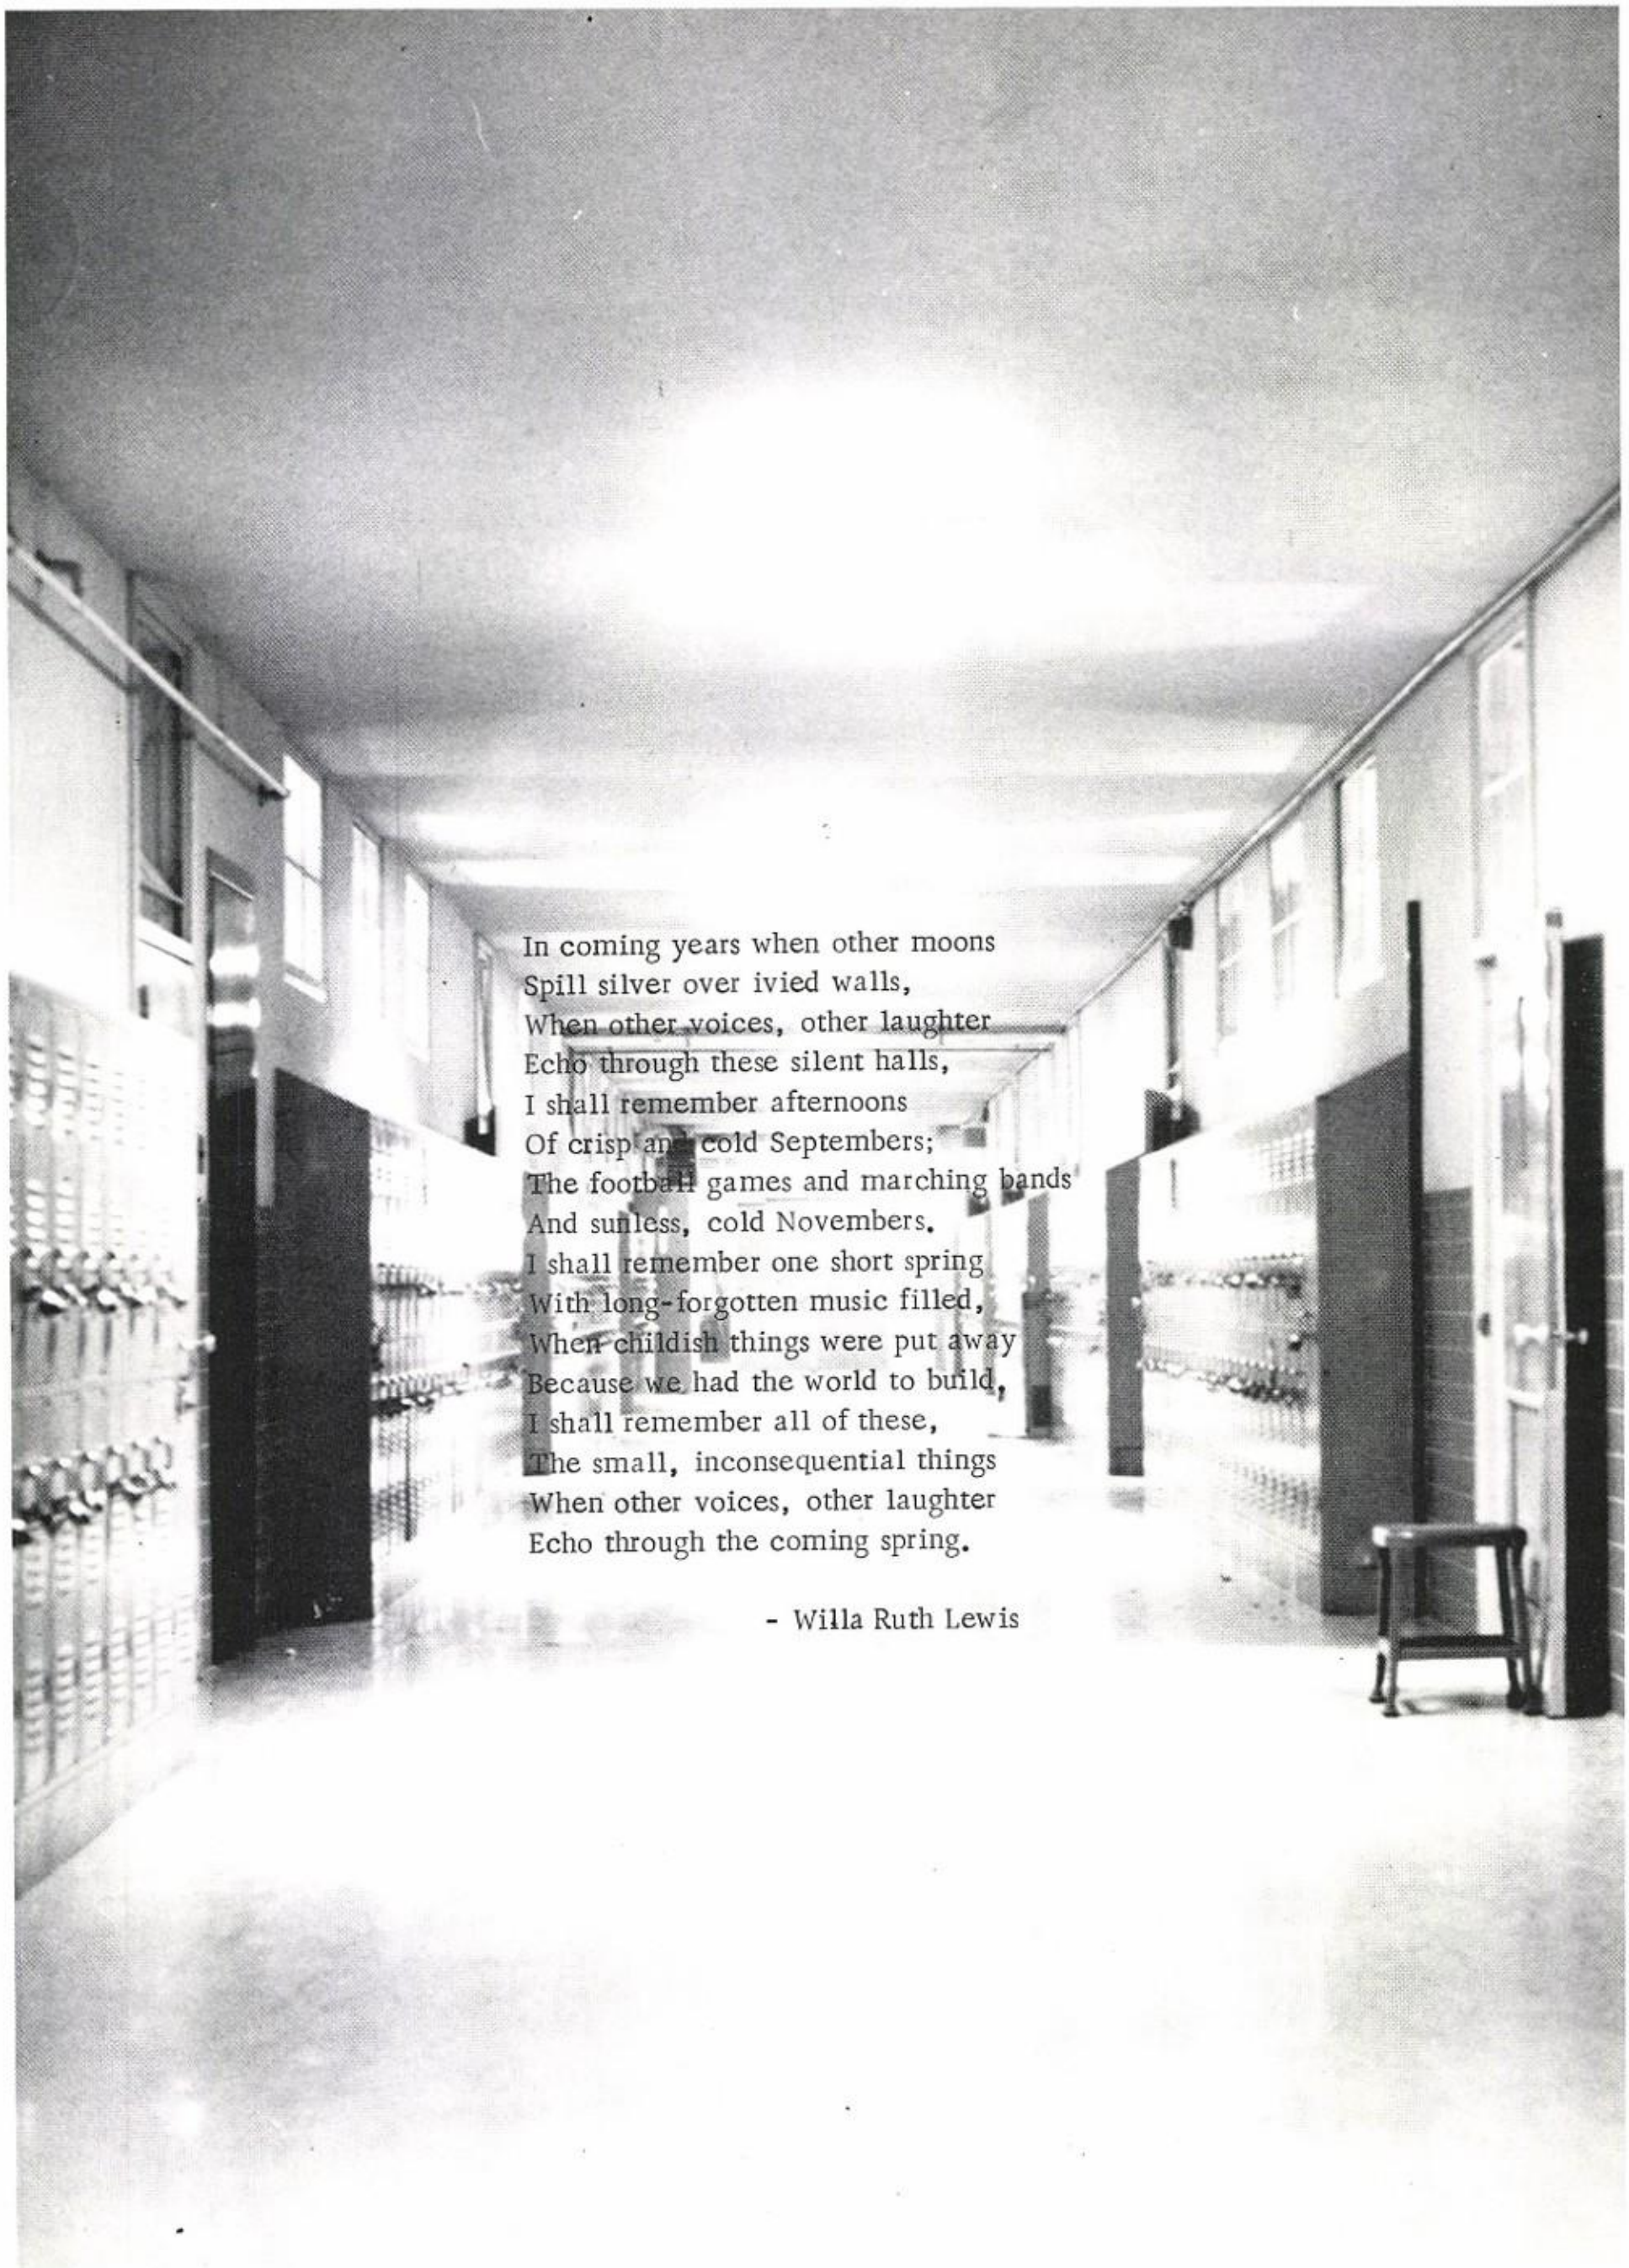
First runner-up Anna Hicks escorted by Larry Prince.

Debbie Bray is eyed by escort Eddie Dent.

Queen Linda Loggins receives roses from 1968 Queen Cindy Conner as escort Michael Netherton looks on.

Janna Bodovsky is given roses by Jackie Williams.

Susan Spain finds escort Wally Smith amusing.



In coming years when other moons
Spill silver over ivied walls,
When other voices, other laughter
Echo through these silent halls,
I shall remember afternoons
Of crisp and cold Septembers;
The football games and marching bands
And sunless, cold Novembers.
I shall remember one short spring
With long-forgotten music filled,
When childish things were put away
Because we had the world to build,
I shall remember all of these,
The small, inconsequential things
When other voices, other laughter
Echo through the coming spring.

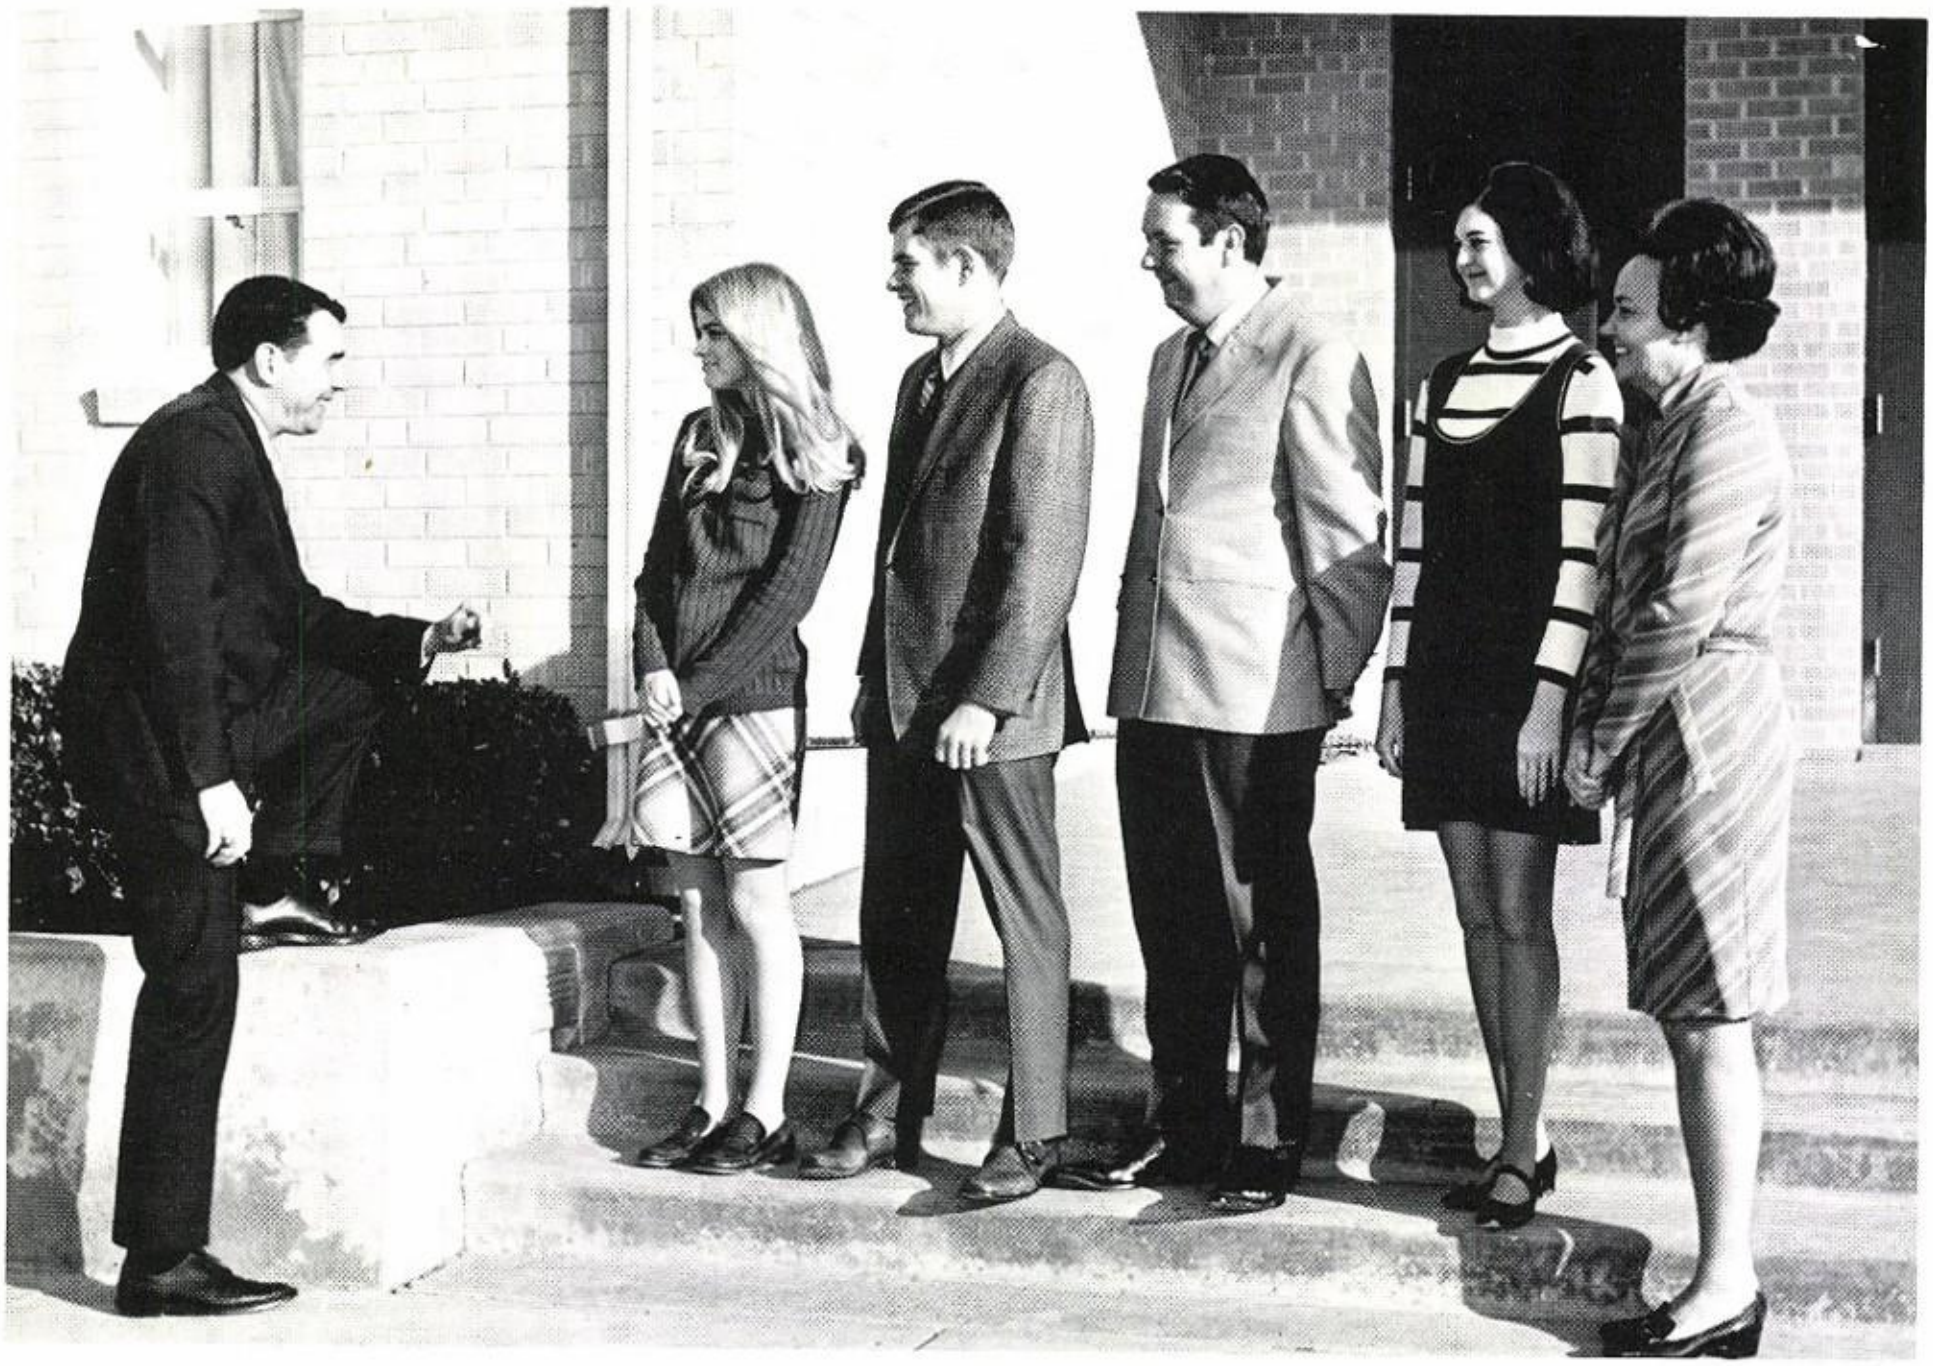
Student Council

The Student Council of PHS provides a training ground for participation of the student body and development of leadership while correlating between students and the administration. The council, made up of one representative from each home room, sponsored the Homecoming Queen election and dance, Twerp Week and the Valentine-Basketball social. Officers also attended the area Student Council convention in the fall.



Treasurer - Debbie Bray; President - Vance Maultsby; Vice President - Mike Horn; Secretary - Linda Pharr; Advisors - Mr. Millender, Mrs. Hickey.

Student Council Officers

Dear Students,

The school year 1969-70 was a busy one for the Student Council. Dances, special events, projects, and school problems provided many topics of discussion and action for our council. I feel that this was a successful year, not because of a momentous conquest, but because of the many smaller achievements that we made.

After talking with other Student Council representatives of area schools, I am proud of the activity of our student council. This is due in part to the fine cooperation we received from the administration. For the most part, though, this activity can be accredited to the interest of the student body. This interest and concern must be continued to make a better student council in 1970-71. By electing responsible homeroom representatives and continually expressing their views to these people, the members of the student body can again have a progressive Student Council.

Yours for a good 1970-71,
Vance Maultsby, Jr., President

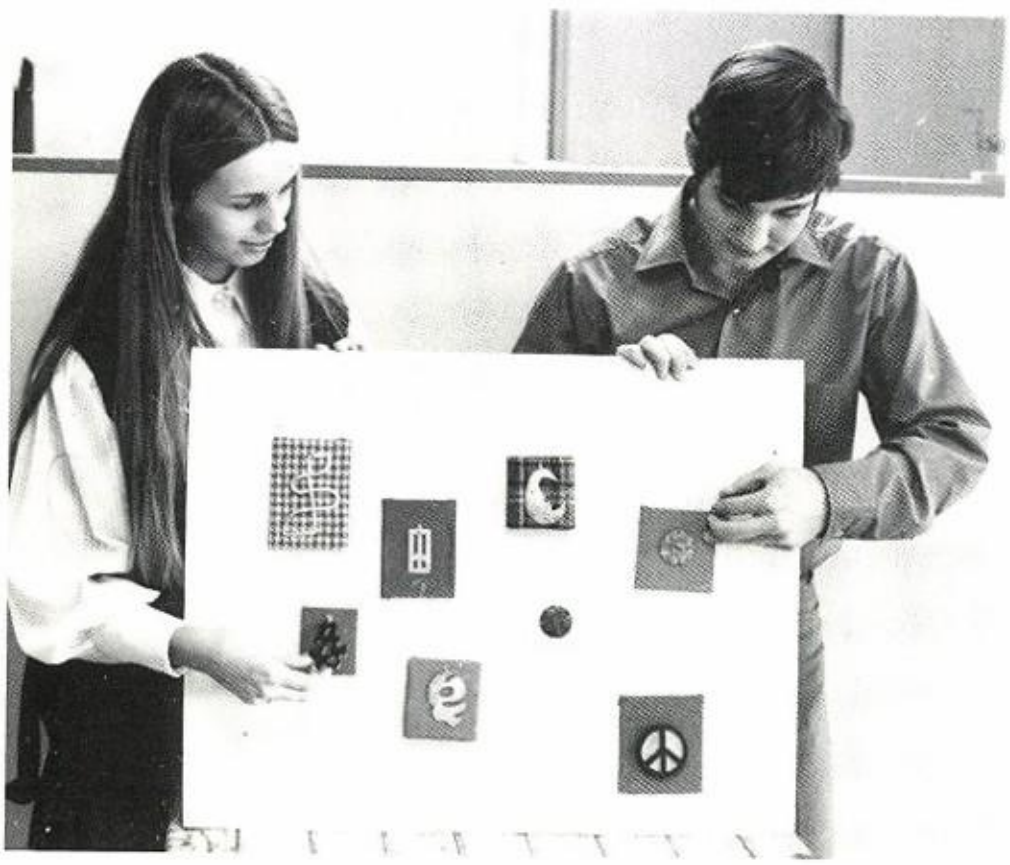
ART

Sculpture and charcoal drawings ... silkscreen prints and collage designs ... were exhibited at the Univ. of Plano by art students at PHS.

The students of Mrs. Sue Moore and Mrs. Victoria McCreary worked in the classroom and on field trips around Plano to create displays for competition in the McKinney Art Show, University of Dallas High School Exhibit and the Plano Fine Arts League Show.

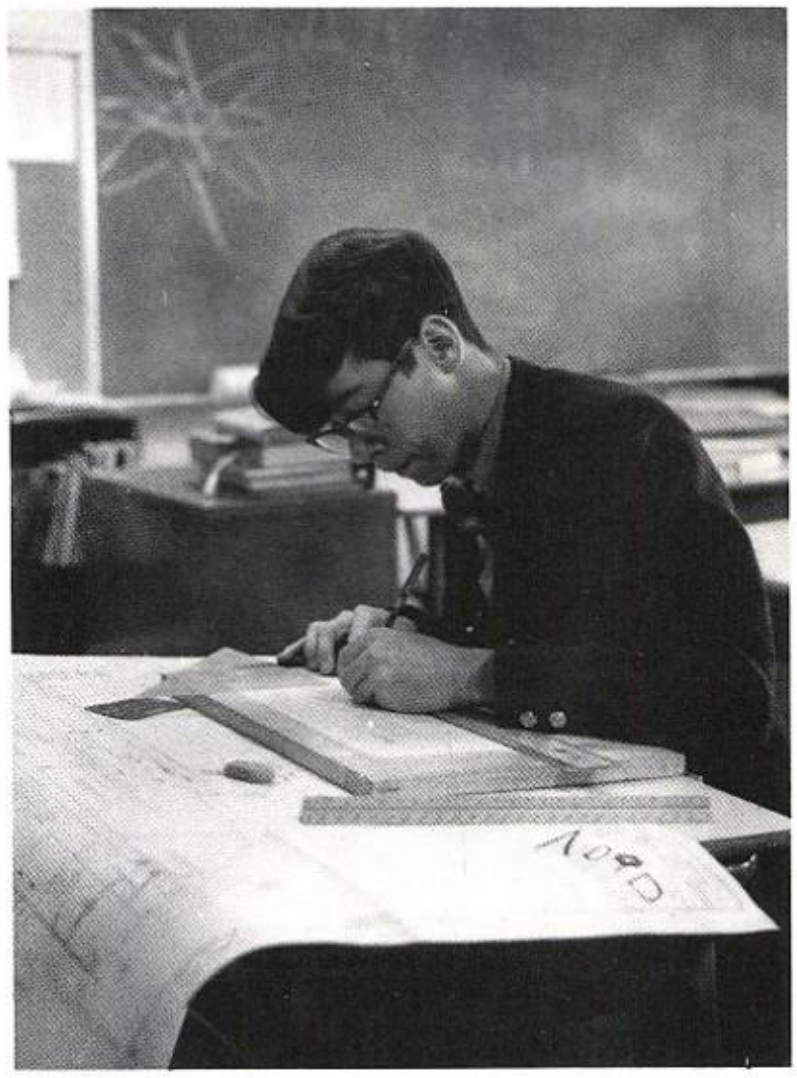


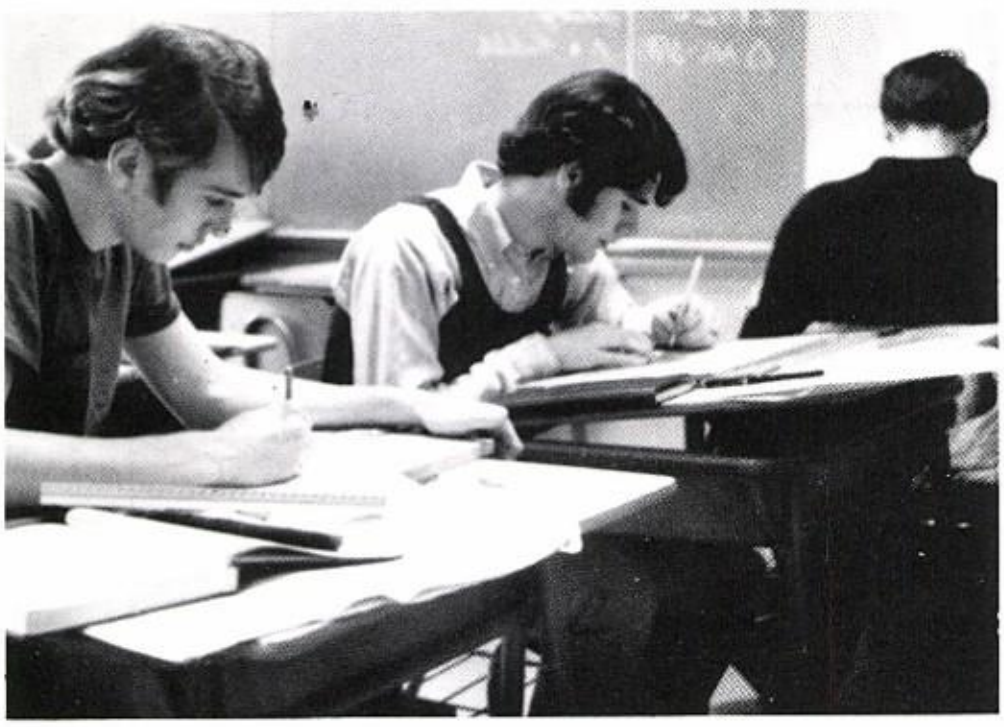
DRAFTING

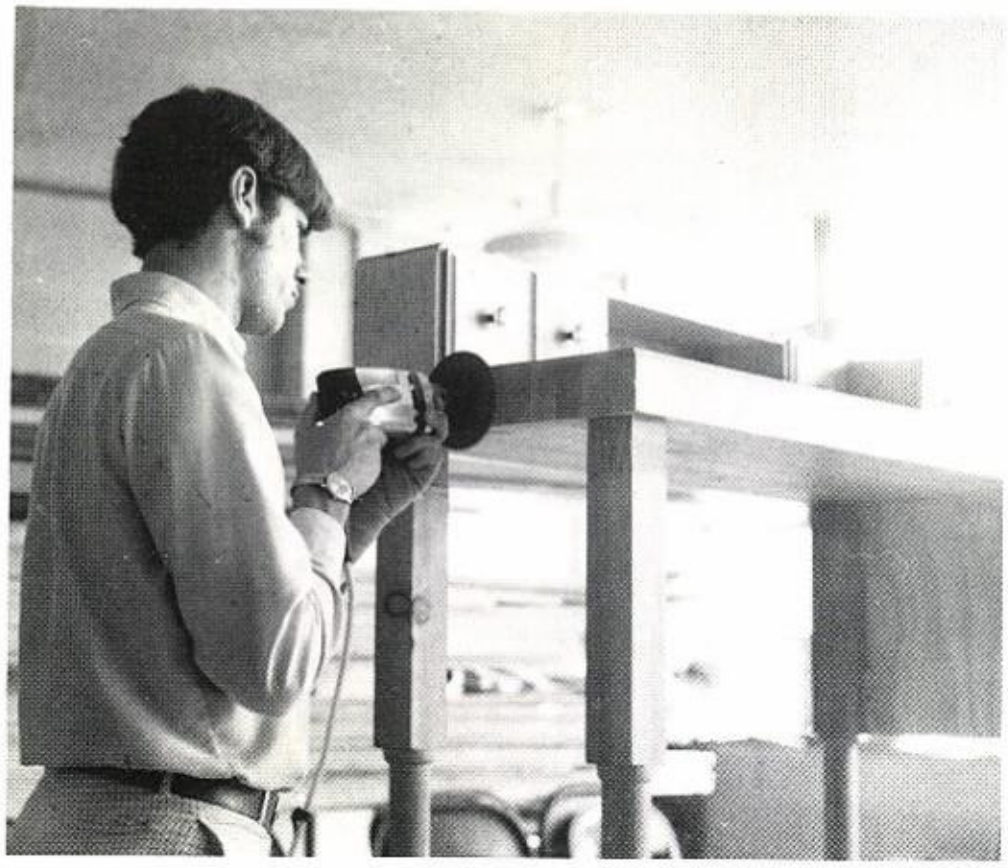
Beginning with standard lettering exercises, Mr. Fitzpatrick's classes learned various drafting techniques this year.

Orthographic projection, blueprints and isometric and oblique drawings were some of the things the classes learned to construct.

Second and third year students had projects such as airplane and helicopter drafting, electrica schematics, and house plans and models.

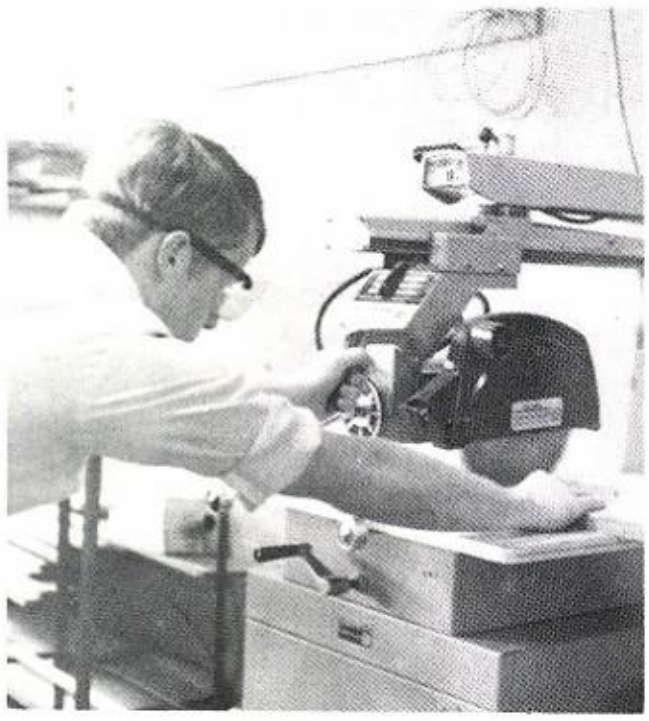


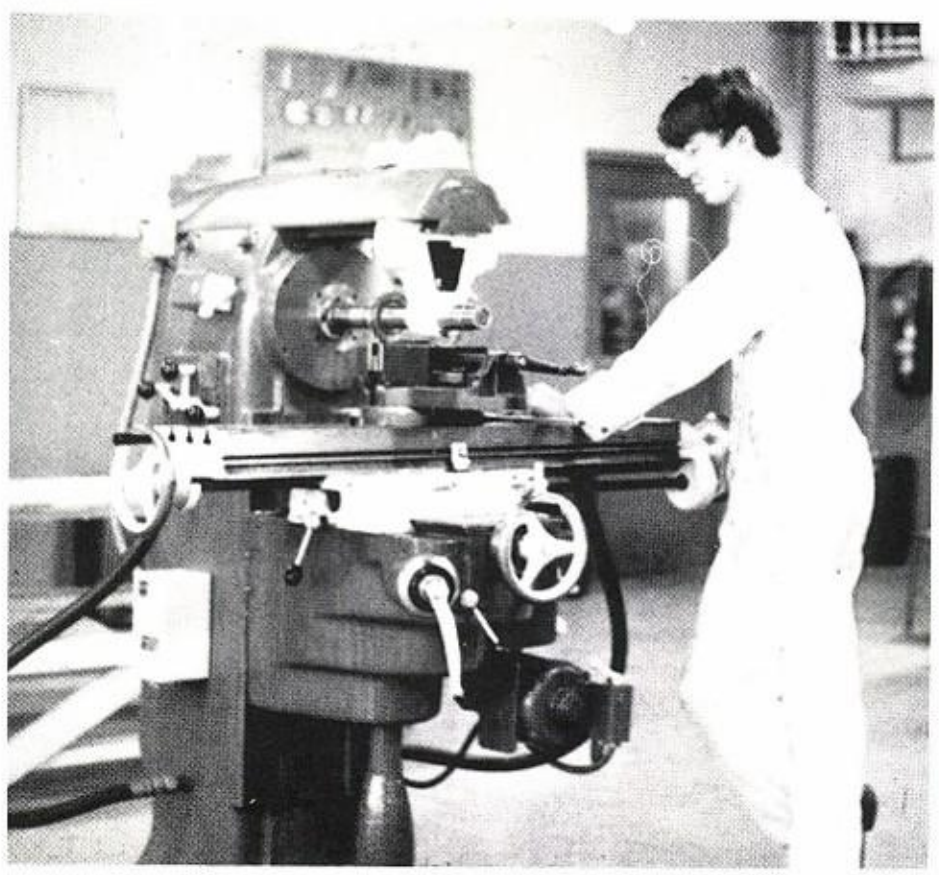




WOODS

Using the same tools and skills as professional carpenters, students in the woods classes at PHS learned to design and make everything from simple book cases to elegant stereos.





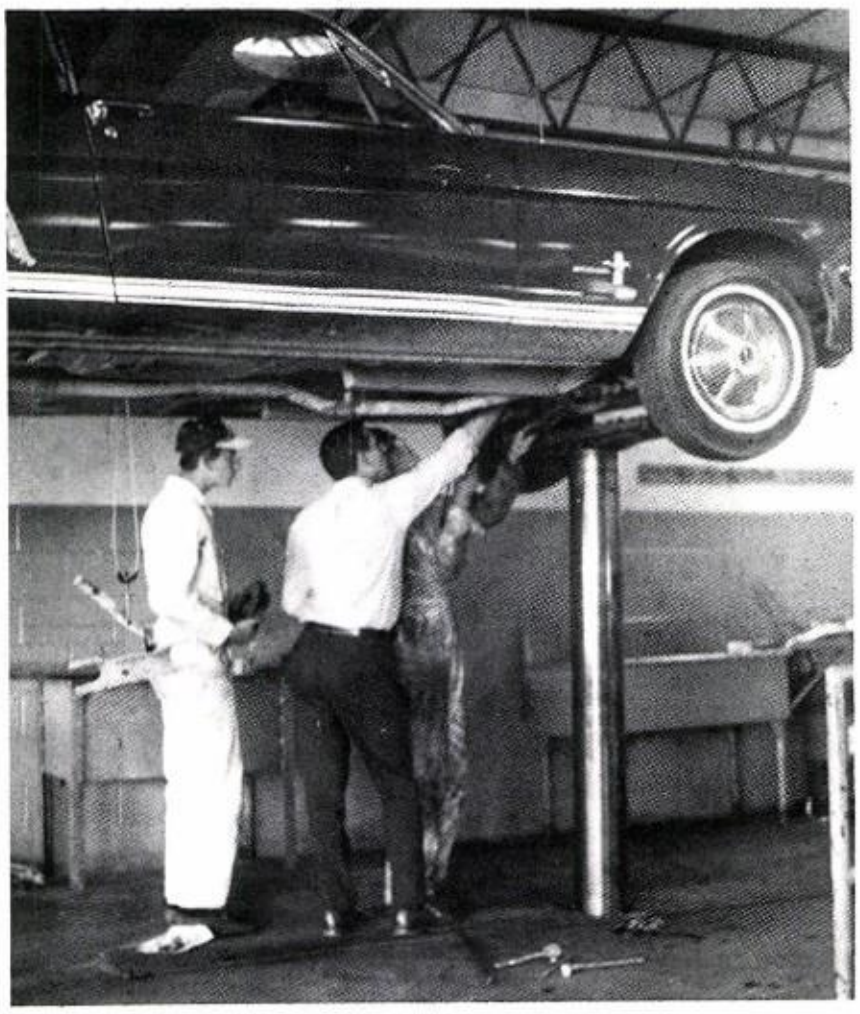
METALS

The metal sections of industrial arts at PHS consist of areas in sheet metal work, bench work, and welding. Each student is given an opportunity to work in each area.

Some of the more popular pieces of work being done in the metal shop are Bowie knife replicas, chisits and center punches, tool boxes and welding scrap sculptures.

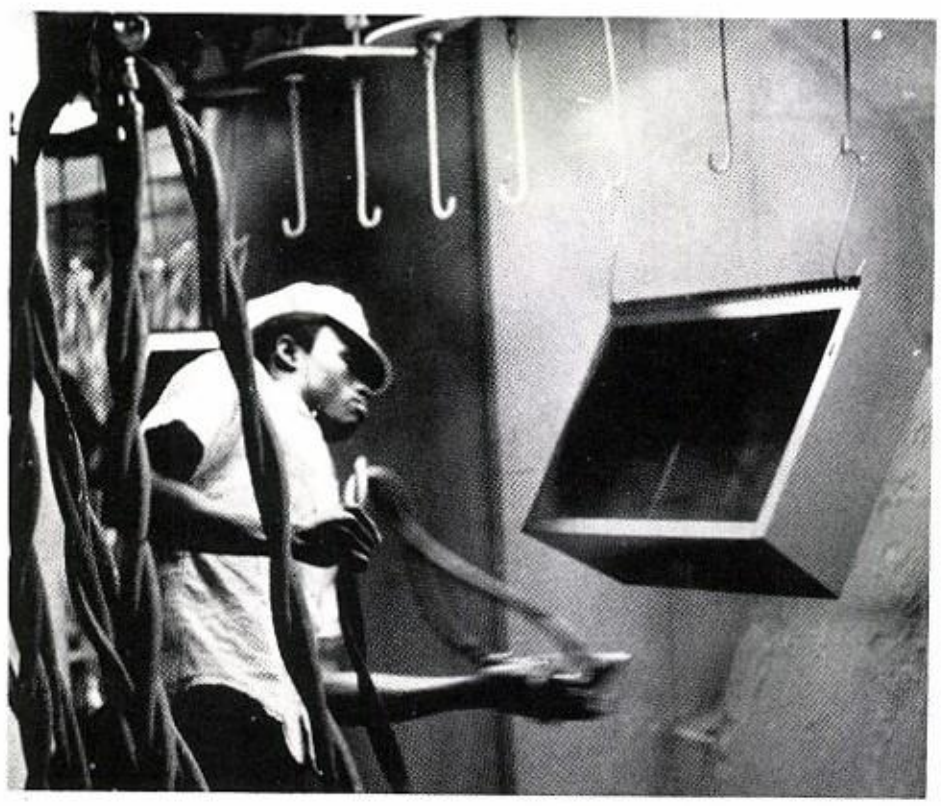
AUTO LAB

The Vocational Auto Mechanics Class is designed to give Junior and Senior young men the basic skills in automotive repair. The two year course goes into the study of engine tune-up, brakes, chassis, transmission, engine overhaul, and shop leadership.



I.C.T.

Industrial Cooperative Training is a vocational program which teaches students a skill that can be used in the business world after graduation. Students in the program work part of each school day at some industrial or technical job, earning while they learn.



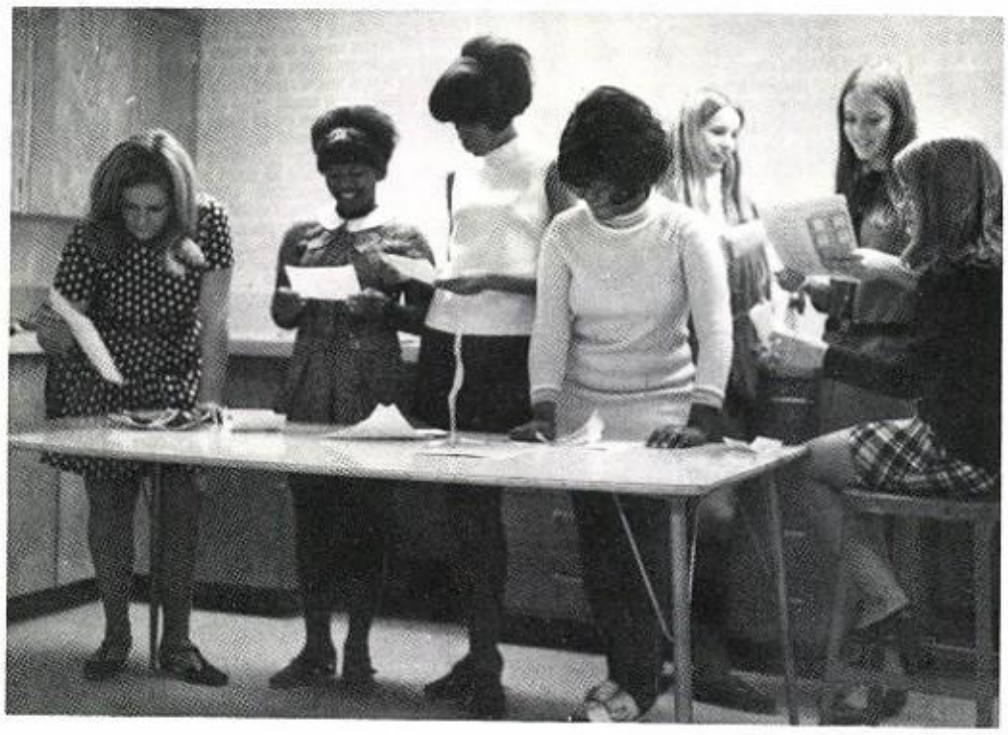
Wildcat Tales

"Wildcat Tales," Plano High School's award-winning student newspaper, continued informing the student body of the events that effect them while training future journalists in the skills of the profession.

Spring editor Lauara Hobart received a Proficiency Citation from the Interscholastic League Press Conference for her outstanding contributions and seven other staff members had articles or illustrations entered in ILPC Achievement Award Competition.

SPRING EDITORS: (At Type Writer) Debbie Bray, and Laura Hobart.
PAGE EDITORS: Debbie Geiger, Micky Lochridge, Mik Simpson, Charles Alexander, Randy Cothes, Dave Williams, Jeff Moshier, and Kathy Coyne.

Planonian



For the "Planonian," PHS's annual, the 1969-70 school year was full of changes. A new advisor, Mr. Jerry Smith, initiated the changes which included a new summer delivery date, introduction of color pictures, additional pages and inclusion of the Prom, graduation and other spring activities.

SEATED: Doris Patrick, Kay McDavid, Vicki Stimpson, and Susan Spain. STANDING: DeLois Bonner, Mr. Jerry Smith, Debi Hancock, Jan Beall, and Debbie Bray.

Library Assistants

Student assistants help make PHS librarian, Mrs. Beaulah Hollis's job easier by assisting her during the school day. These students check in and out books, return books to the shelves and prepare bulletin boards for the library.

Office Assistant

Each year a small number of PHS students are selected to help school secretary Mrs. Jean Kellar and counselor, Mrs. Johnnie Spies with their clerical duties. These students spend one hour each day collecting absentee slips, recording attendance and running off tests.

Plano Wildcats

The Plano Wildcats marched to an 8-2 record and a second place finish in District 6-AAA in their second year in Class AAA.

Led by the pass-catching of Nippy Jones, Coach John Clark's Wildcats rolled through the non-district portion of their schedule undefeated. PHS, the defending district champ, was kept from a second district title by a 28-21 loss to Bonham. The Wildcats ended the season on a high note, however, by beating McKinney 12-6 for the second straight year.

The Wildcats placed five players on the Coaches All-District team and six on the Dallas Times Herald's all-star squad. Vance Maultsby made honorable mention on the Times Herald's All-Metro team and on the Dallas Morning News' All Greater Dallas squad.

1969-70 was a rebuilding year for Coach Larry Guinn's sophomore-laden varsity basketball team. The team battled to a 10-16 record which featured two victories over Bonham.

Bill Mannefield was an unanimous all-district selection and Sophomore of the Year in District 6-AAA as he paced the Wildcat attack. Sophomore Bobby Gaddis was honorable mention all-district on a team that has only four seniors and returns twelve lettermen next year.

PHS's varsity girls' basketball team found the 1969-70 season identical with the 1968-69 season. Mrs. Becky Austin's team posted an 16-10 record and tied Duncanville for the district championship, but then lost the playoff game.

High-scoring Alma Eaton, an all-tournament selection twice during the season, paced the young team, and received help from Sheryl Gant and Jane Robinson while Susan McCollough, Quin Spurlin and Pam Havis aided on defense.

Despite a sixth place finish in the district 6-AAA track and field meet in April, 1970 was a record breaking year for the track team of coaches Keith Sockwell, Tommy Kimbrough and Pat Adams.

Junior Mike Haun and Mike Crowell both of whom made it to the regional, meet, set records in the 330-yard intermediate hurdles and shot-put. The mile relay team of Haun, Randy Wensel, Tommy Propes and Ricky Easley also set a new record in their speciality.

Tennis

What is already history in the record books of tennis coach Mrs. Becky Austin was nearly repeated by this year's tennis team. Monty Stanley and Craig Amfahr, the boys doubles team, and Nancy Apple in girls singles all advanced to the finals in the District 6-AAA Tennis Meet held in Plano on April 11.

Monty and Craig, who advanced to the finals by defeating the Lewisville second team and the McKinney team, were defeated on the following Monday after the meet by the Lewisville first team.

Nancy Apple, after working her way to the finals, was finally overcome by the girls singles player from Gainesville.

Others participating in the tennis meet were Charles Alexander and Wes Hansen, boys doubles; Sheryl Gant and Susan Goodman, girls doubles, and Ricky Allen, boys singles.

Baseball

Coach Mickey Florence unveiled a new baseball squad during the 1970 season that saw the Wildcats post a 10-4 season record and finish in a second place tie in the district race.

For the first time, PHS fielded a junior varsity baseball team that won two and lost two against area teams. The sophomore leaden team gained experience that will help them next year on the varsity.

On the varsity, shortstop Steve Proffitt was the leading hitter with a .400 average and lefty Joe Arb was the top pitcher. The Wildcats were 4-2 in district competition.

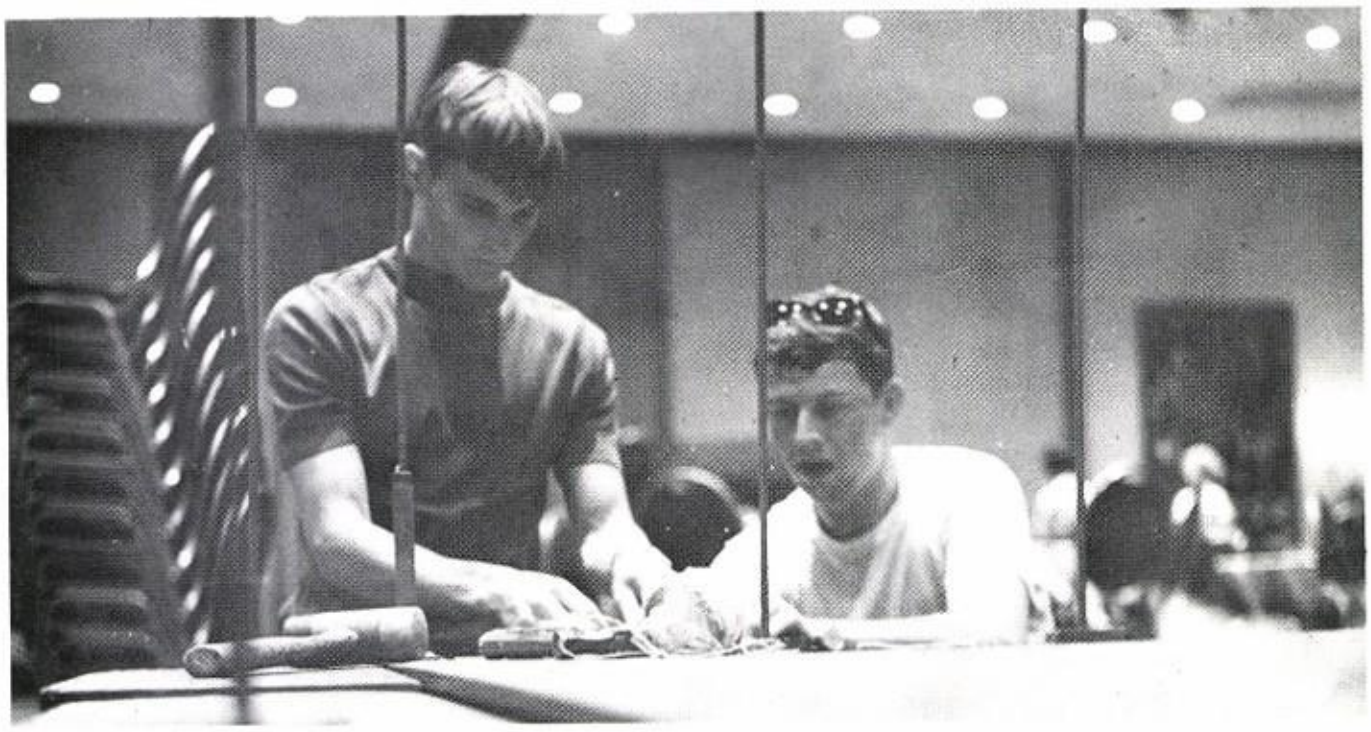
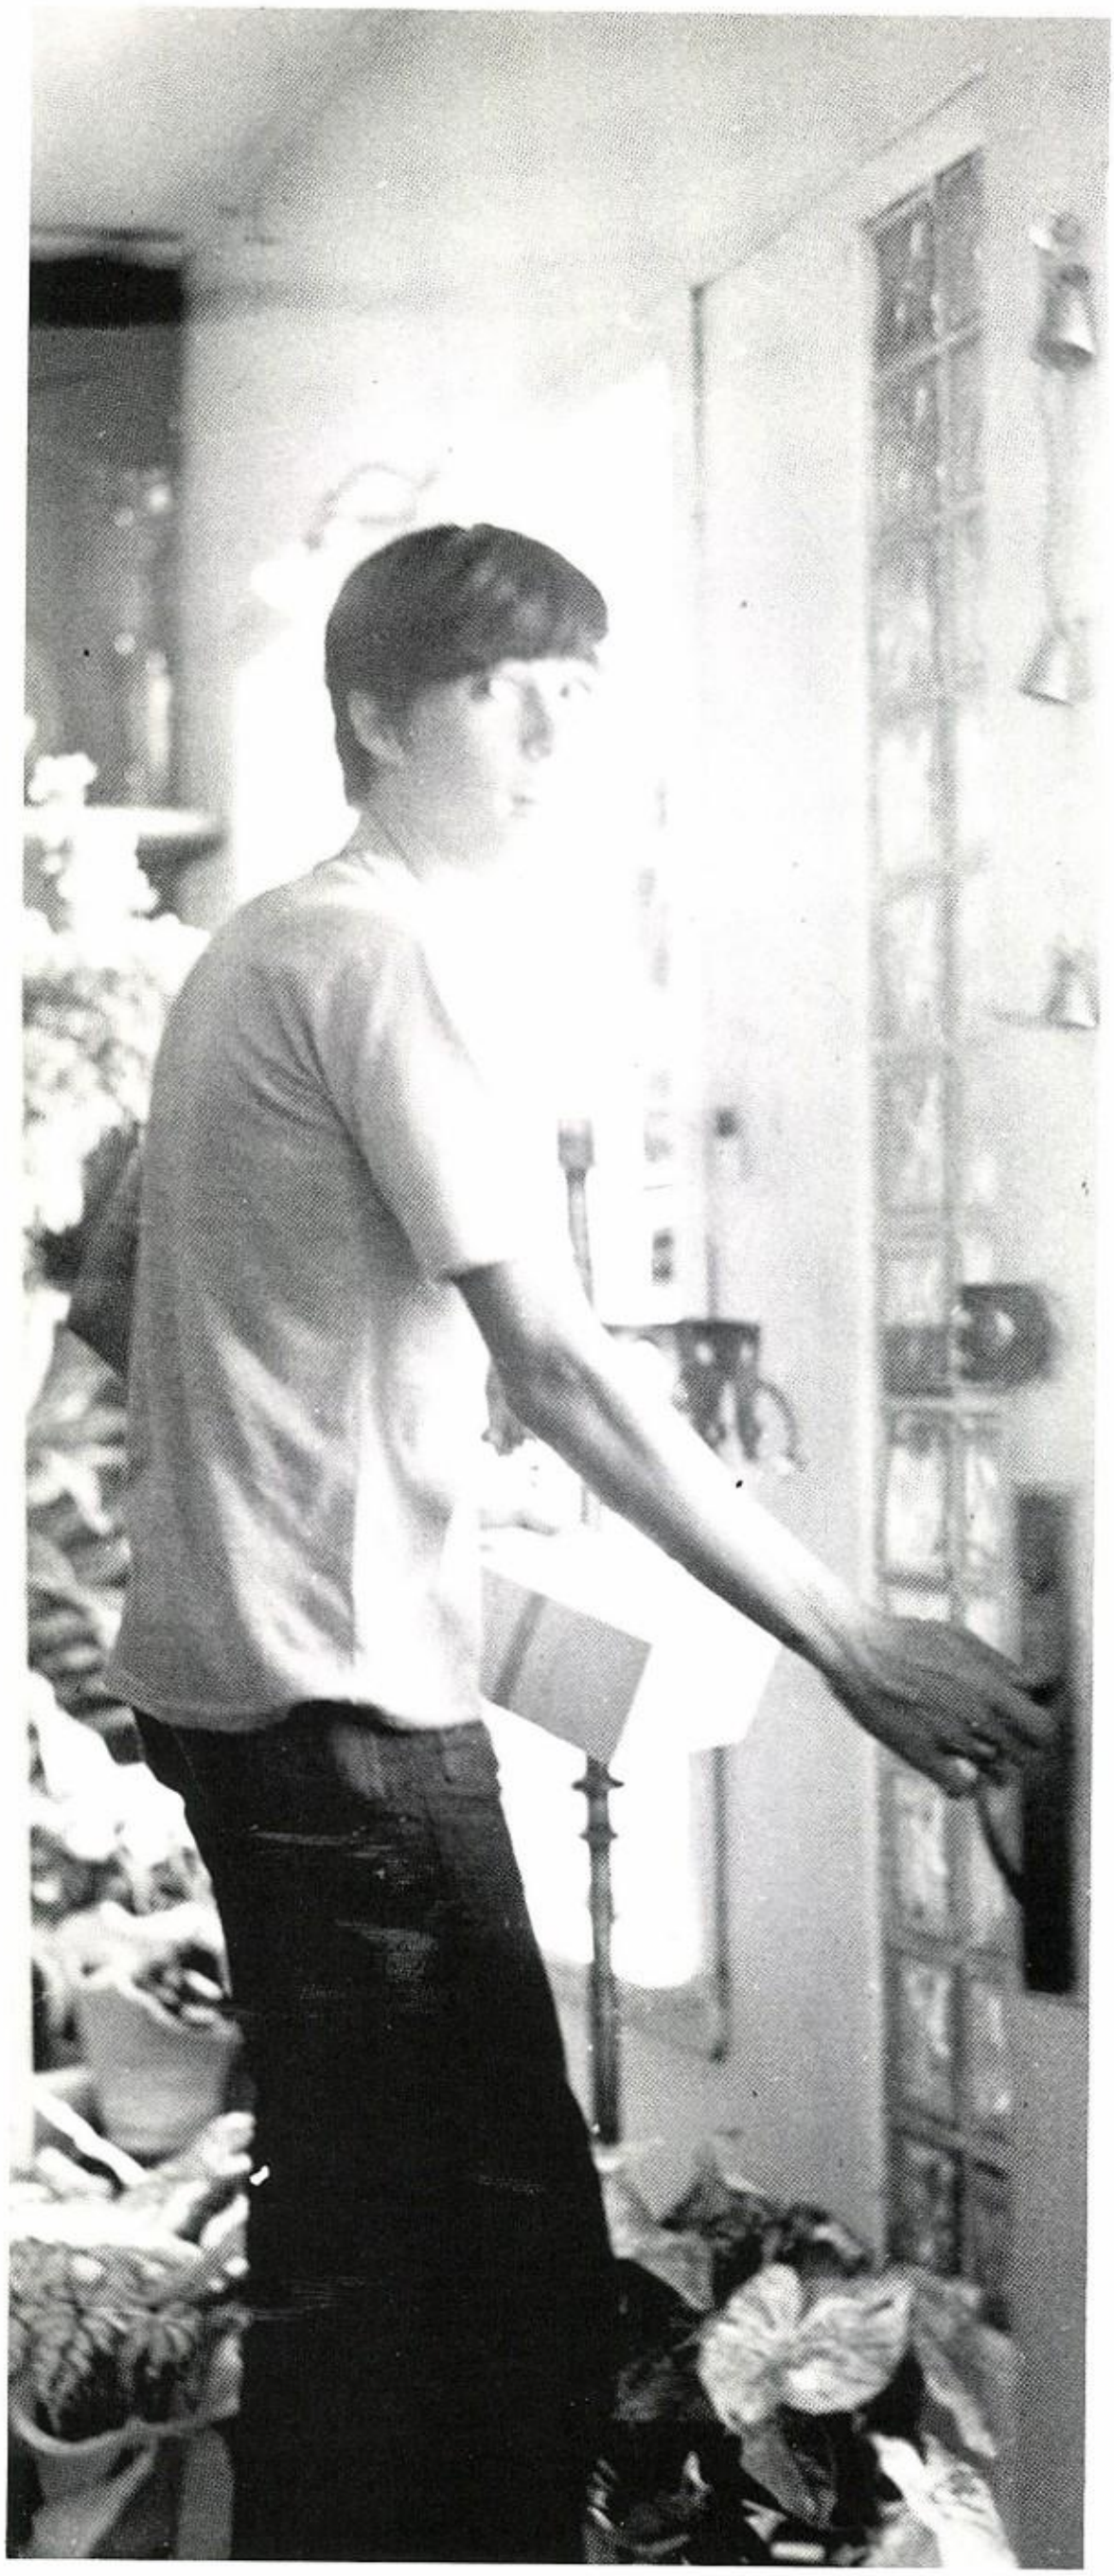
The Senior Class of 1970

Prom - May 9
Senior Day - May 29
Baccalaureate - May 31
Graduation - June 1

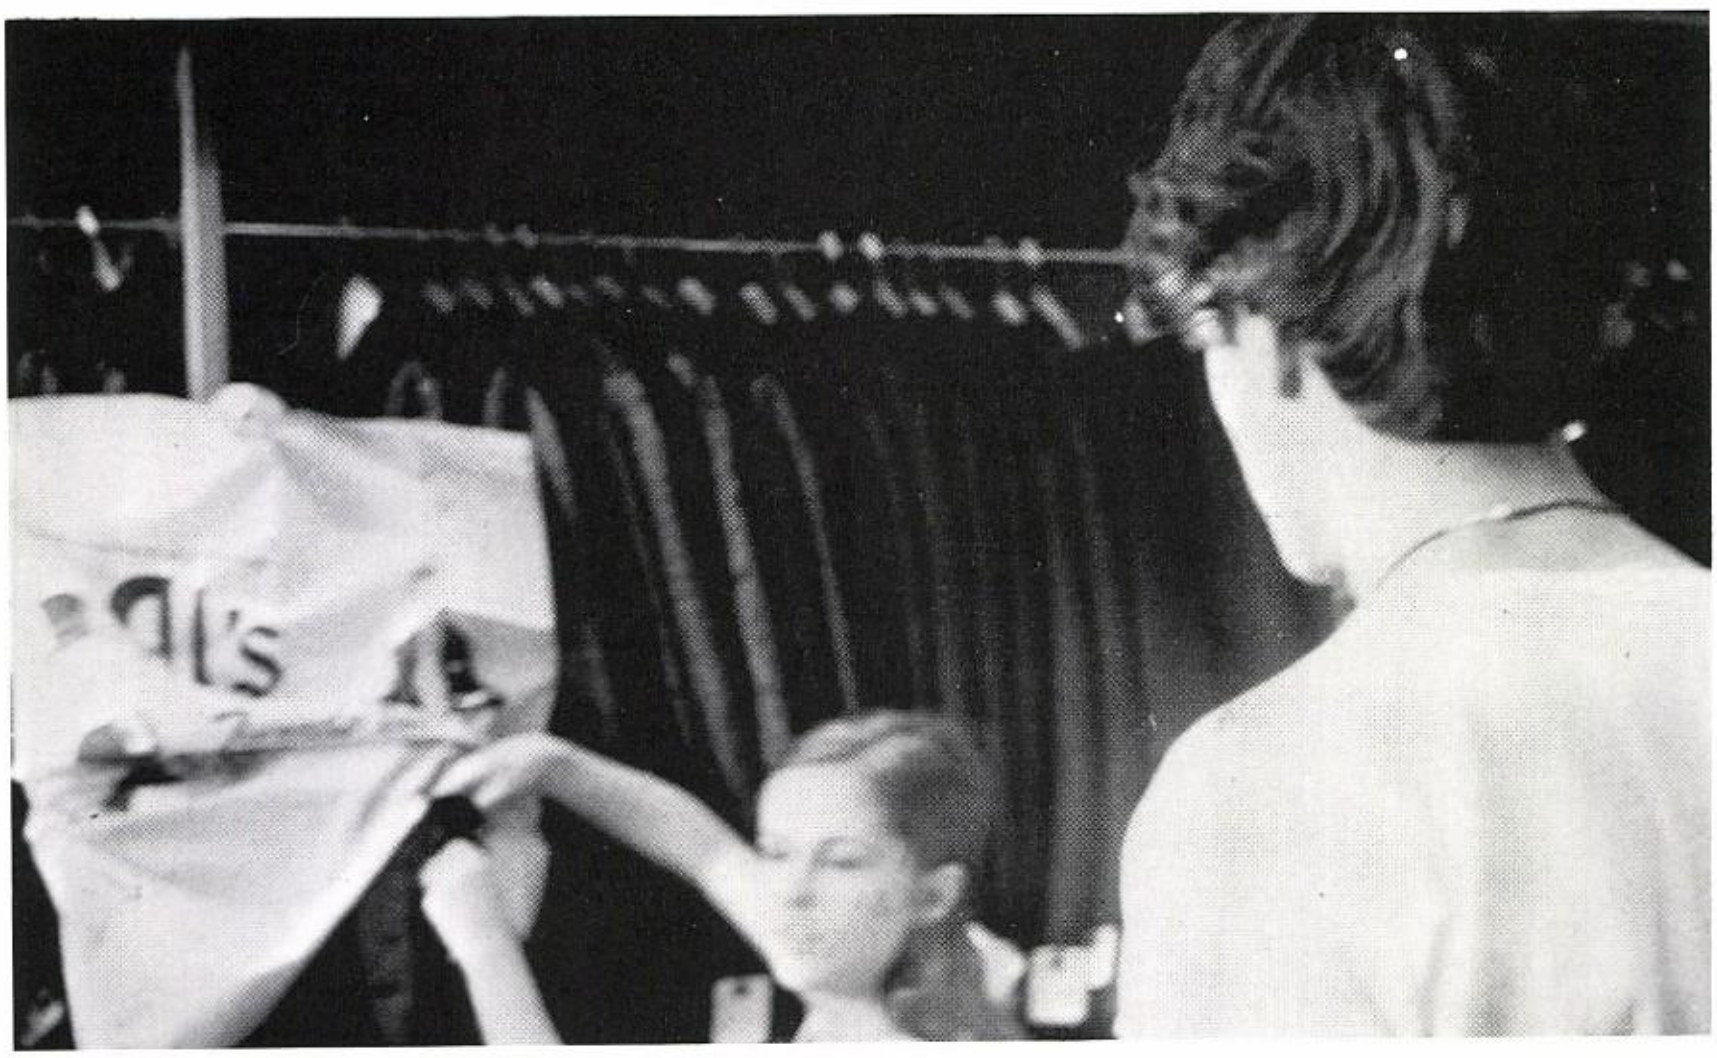
Starting out the round of activities for the seniors was the Junior-Senior Prom that was held May 9 at the Marriott Motor Hotel in Dallas.



Work on the prom began as early as last fall with the junior class paper drives, but there were many last minute things still to be done as the prom neared.

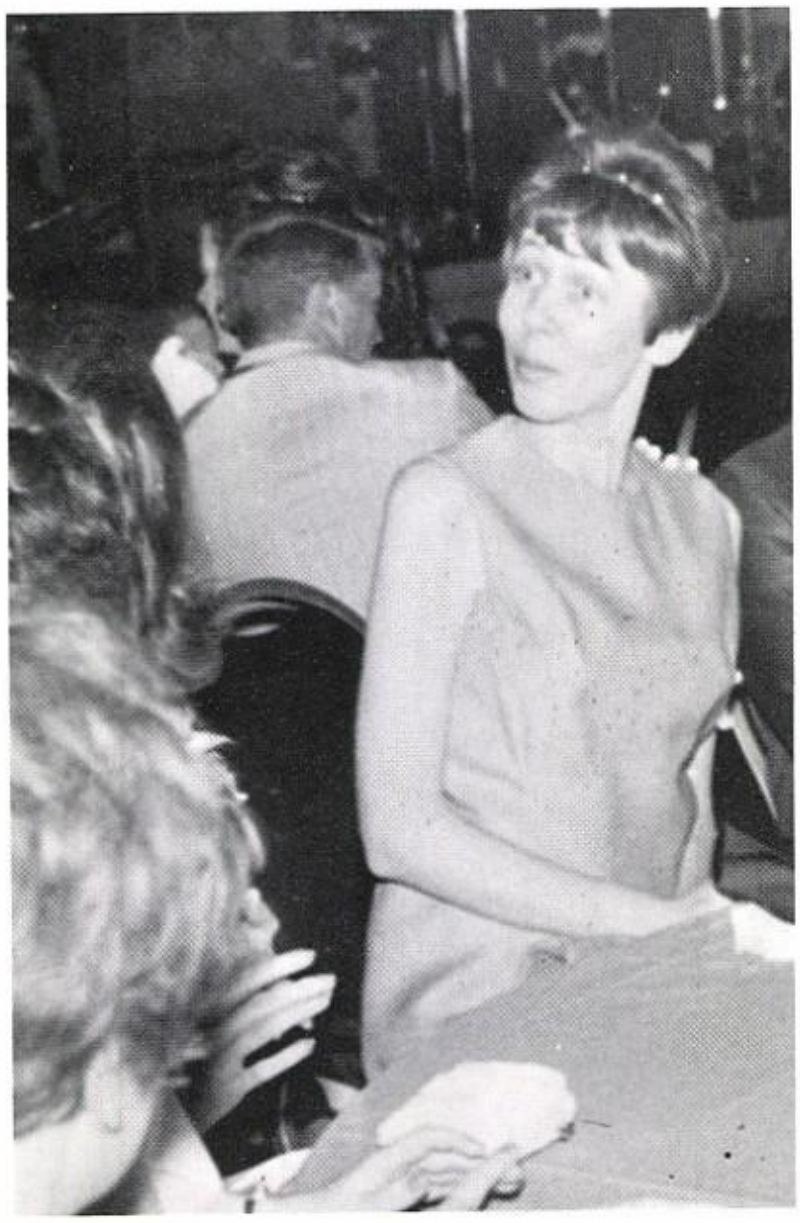


Picking up flowers and tuxedoes was the preparation for the boys the afternoon of the Prom. For the girls it was having their hair fixed and getting ready the entire day.

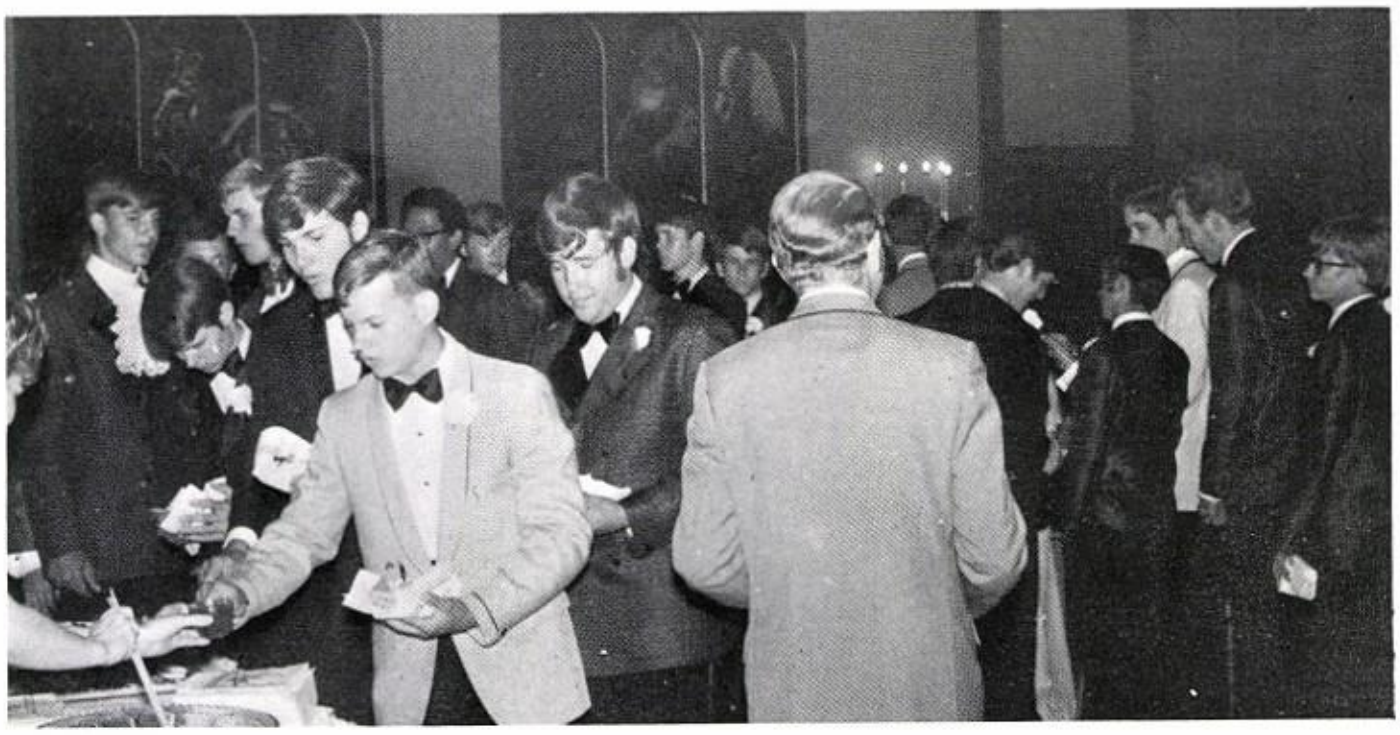


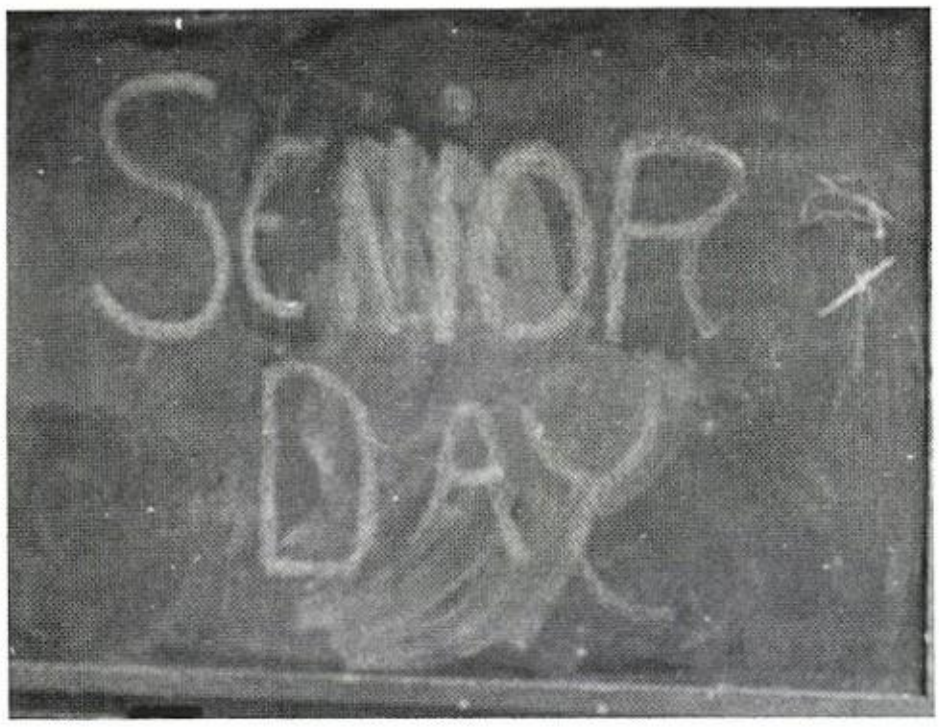
Pinning on the corsage was the most difficult task for some of the boys!

For Juniors it was escorting the Seniors.



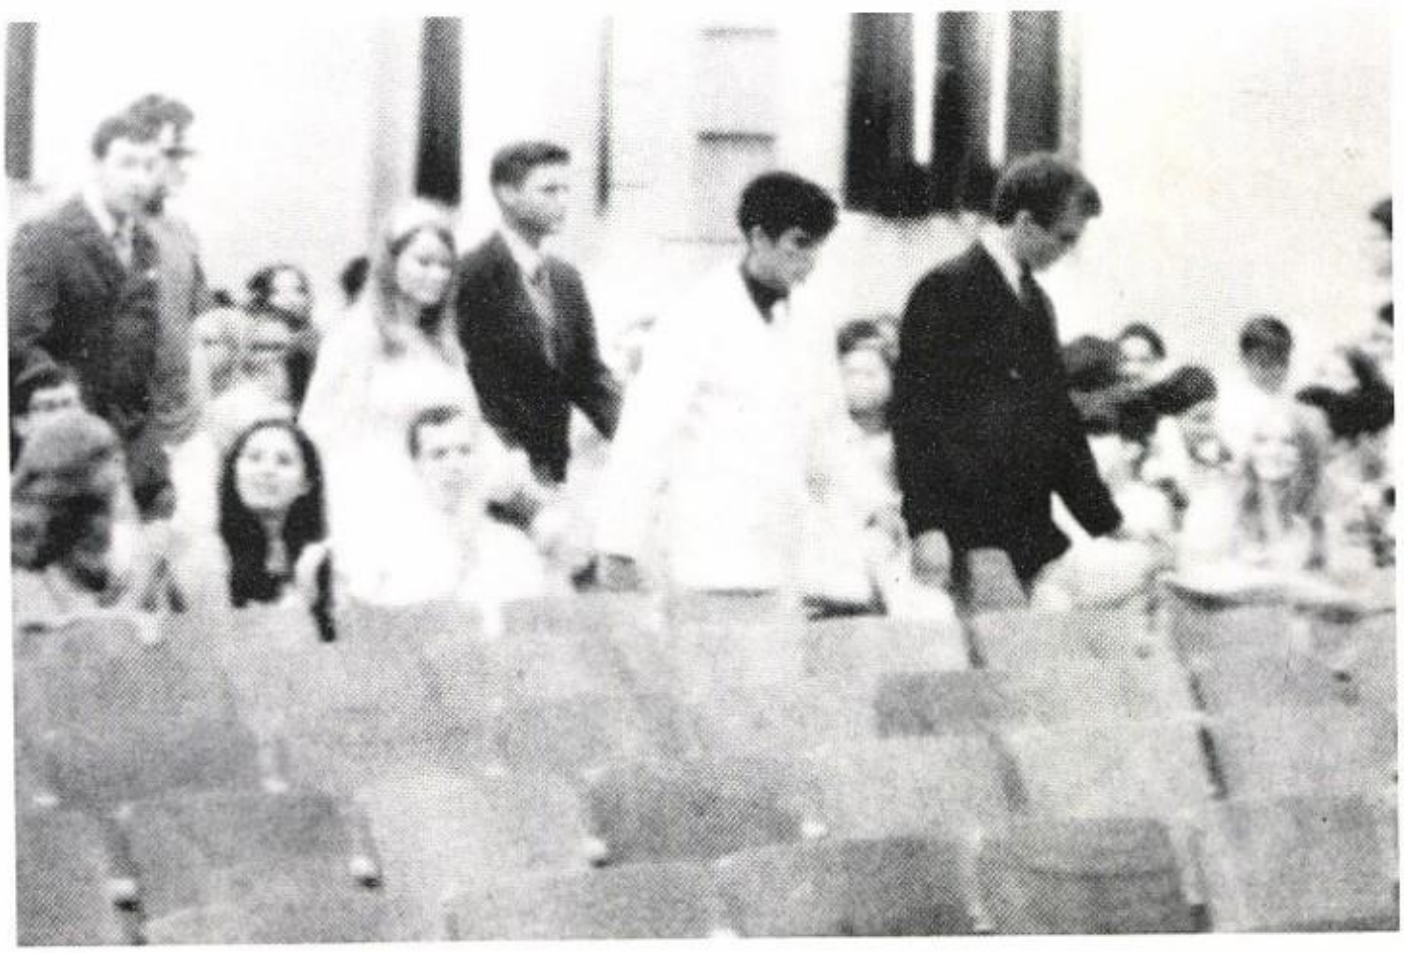
They danced till midnight to the music of "The Society."





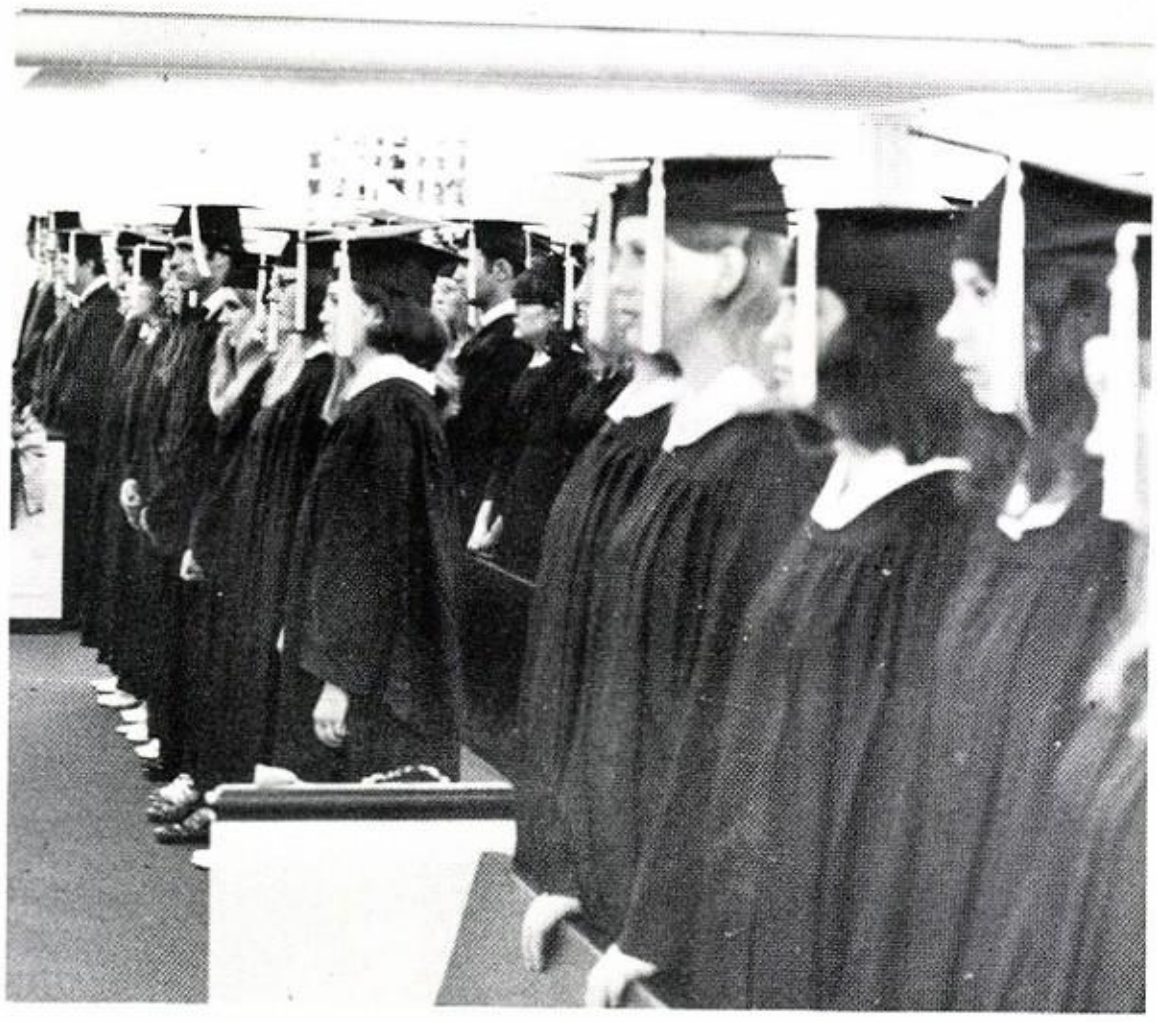
SENIOR DAY 1970, May 29, marked the 1970 graduating class's last day at PHS. And they lived it up in style.

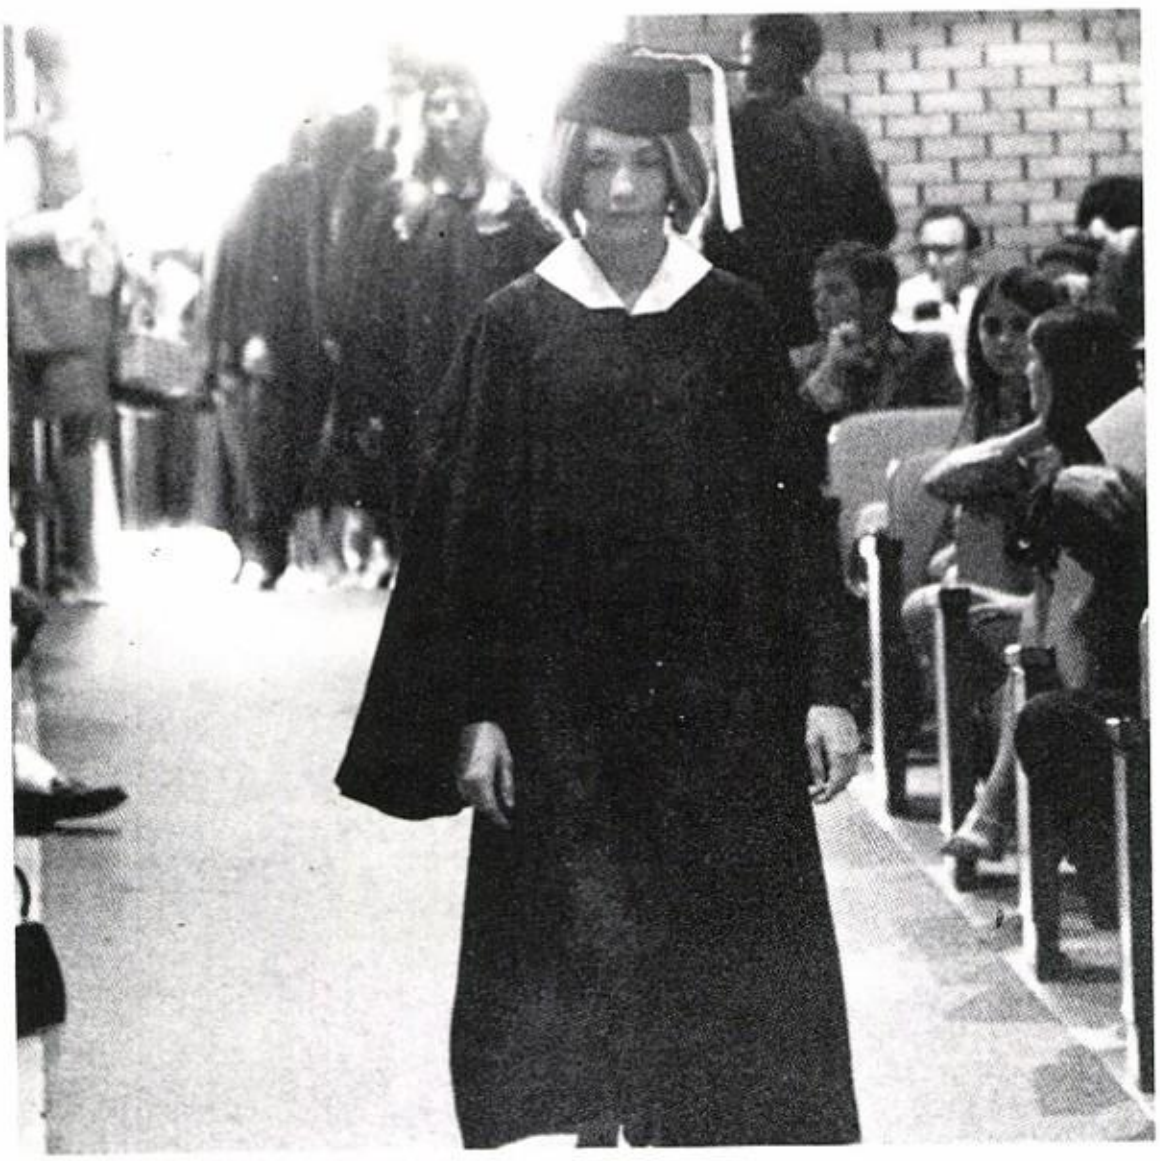
Following a special brunch and lunch, the class filed into the auditorium for the last time. They honored Mrs. Mary Alice Skaggs and Miss Fredna Maultsby for their contributions and then presented the class history, prophecy and will.



The last two days at PHS were ceremonial for the 1970 seniors.

Baccalaureate services on May 31 began the final activities. Held at the First Baptist Church in Plano, Dr. William E. Trice delivered the sermon.





Graduation day, June 1, finally arrived at last for the 186-member class. Held at the spacious Richardson High School auditorium, commencement exercises included awards, scholarships and speeches in addition to the presentation of diplomas.

The seniors were now graduates of Plano High School.

Looking Back

With this page the work of the staff of the 1970 PLANONIAN cames to an end. There is time now but for a few "Thank Yous" to the people who have helped make this year's annual what it is.

The PLANONIAN staff greatly appreciates all of the help that Taylor Publishing Company and its representative, Ed McMeans, has given us.

We would also like to thank the boys in the photography class - Charles Alexander, Joe Early, Michael Netherton, Ronny Agte, Gary George, and Mik Simpson - for being so cooperative with us.

I personally would like to thank Mr. Smith and everyone else on the annual staff for helping me so much.
